Subject: Recommendation Letter for SAFENESS

To Whom It May Concern,

We are pleased to provide this letter of recommendation for SAFENESS, with whom we have established a professional collaboration in the framework of our exploration activities in Morocco.

Predator Oil & Gas Morocco entered into a contractual agreement with SAFENESS effective April 1st, 2026, for an initial period of six (6) months, renewable, for the provision of highly qualified personnel to support our exploration drilling campaign.

Under this contract, SAFENESS has been tasked with supplying key technical expertise, including but not limited to:

- Senior Drilling Engineers
- Senior Drilling Supervisors

Throughout our collaboration, SAFENESS has demonstrated a high level of professionalism, responsiveness, and commitment to quality. They have provided a wide range of highly competent and experienced profiles, carefully selected to match the technical and operational requirements of our project.

We particularly appreciate SAFENESS's ability to:

- Mobilize qualified personnel within tight timelines
- Propose multiple suitable candidates for each position, ensuring flexibility and choice
- Maintain strong communication and follow-up throughout the assignment
- Deliver personnel with solid field experience and adherence to international HSE standards

The expertise and reliability of the professionals provided by SAFENESS have contributed positively to the preparation and execution of our exploration campaign in Morocco.

Based on our experience, we can confidently recommend SAFENESS as a trusted partner for the provision of specialized technical personnel in the oil and gas sector, particularly for drilling and exploration operations.

We look forward to continuing and strengthening our collaboration with SAFENESS in the future.

Should you require any further information, please do not hesitate to contact us.

Yours sincerely,

Ahmed Chelly
