To Whom it May Concern

Subject : Recommendation Letter

We at YNG have contracted SAFENESS in 2021 for the provision of skilled manpower personnel for our first exploration well.

SAFENESS has provided us with a full team of competent Drilling Supervisors, HSE Manager and HSE Supervisors for the project Araifa-1 from the preparation phase in September 2021 to the end of well testing operation in April 2022 and end of well reporting.

The competency of the team and the outstanding support of SAFENESS management team has greatly assisted us complete the exploration well drilling campaign ahead of planned time, below the forecasted cost and incident free.

For the above-mentioned reasons and others, we recommend SAFENESS with no hesitation for the provision of skilled manpower for the oil and gas industry.
